DIRECTOR

SECOND REQUEST FOR EXTENSION OF TIME

Applicant, through his counsel, respectfully requests a further extension of time of one (1) month to respond to the Office Action, presently due July 28, 1980, time to be extended to August 28, 1980, for the following reason.

Counsel filed an Amendment in response to the Final Rejection on June 30, 1980. To date, counsel has not received an Advisory Action from the Examiner indicating whether or not the Amendment places the application in condition for allowance. In an excess of caution, therefore, it is respectfully requested that an extension of time to August 28, 1980 be granted so that counsel may receive an Advisory Action and proceed in accordance therewith.

This request is not made for purposes of delay but in order to protect applicant's rights.

Respectfully submitted,

KENYON & KENYON
